Online Affiliate Program Application

8-month online study of Montessori's philosophy and pedagogy, under the direction of our faculty and offering interaction with your fellow online students, with required readings and written assignments to be graded. At the successful completion of this course, you are awarded an Age of Montessori Affiliate Certificate. The Tuition & Fees for this new program include your Teacher's Manuals, along with access to our video library of Montessori lesson presentations. No in-person Residency or Internship is required for the Affiliate Program.
